

# EEMA Annual Conference 2019

Lorraine Spector: EEMA Board Director  
Developing Strategy & Business  
EU Project Partner

**EMPOWERING BUSINESS**  
Through Digital Transformation

EEMA has been a partner on numerous EU projects, our recent ones include:

- **LIGHTest**
- **FutureTrust**
- **LOCARD Project**
- LIGHTest and FutureTrust are in their 3rd year and are at the stage of taking the innovative solutions to market
- Approach EEMA for consortiums and projects please
- **EEMA also creates other programmes including** Conferences and High Level Fireside Briefings throughout the year.

# EEMA is proud to have won a new EU project

LOCARD will be using innovative technology to secure digital evidence and the Chain of Custody, across borders in cases of criminality, Terrorism, Pornography and illegal streaming.

As a LOCARD Partner we will be contributing expertise in

- **Technical**
- **Legal and Ethical**
- **Communication and stakeholder awareness** including:  
Police forces, judiciary, forensic laboratories, member states

## Keynote Speaker:

Jon Shamah, Chair of EEMA

EU Project: LOCARD new technology for this new fascinating project

## Keynote Presentation:

Richard Perkins, Director, EMEIA, of the international company N.I.C.E

*An insight and case study of criminal evidence retrieval, collection and storage.*
